UPPER TEIGN FISHING ASSOCIATION 2010 season

CATCH RETURN FOR BROWN TROUT

Name……………………………

Please complete this record of your catches and send it to the **HON SECRETARY (Roly Stuart-Jervis, Inner Hillside Cottage, Sandy Park, Chagford, Devon, TQ13 8JW)** by **31 October 2010** at the latest This information is required for fishery management and for assessing levels of stocking.

<u>HOW TO RECORD YOUR CATCH</u>

1. Show the date fished, the time spent and the stretch fished. If more than one stretch was fished on the same day, record your catches from each stretch on separate lines.
2. Record the length of each brown trout of 7 inches or over (preferably in inches) in the fourth column, with each fish on a separate line, against the code A, B, C, etc shown below. Fish should be measured from nose to fork of tail.
3. A record of any days that you did fish is required. If no fish were caught, complete the first three columns and then show "nil" in the fourth column.
4. Ensure that you include your name on this return.

Indicate the stretch of river on which each trout is caught by using the code letters that follow.

A. Upstream of Dogmarsh (Mill End) Bridge
B. Between Dogmarsh Bridge and Drogo Weir
C. Between Drogo Weir and Fingle Bridge
D. Between Fingle Bridge and Clifford Bridge
E. Between Clifford Bridge and Steps Bridge
